## Nursery Co-op

The church nursery is a parent-run co-op program. All families who use the nursery are required to be in charge of watching the children in the nursery 4-5 Sundays throughout the year depending upon the number of families who register for the nursery. A master schedule will be created and distributed to each family and will be posted in the nursery.

Please identify the Sundays that you definitely cannot work in the nursery below. The nursery will **NOT** be open on holiday weekends.

Please **do not** schedule us on the following Sundays: \_\_\_\_\_
